**Amendment to April Quarterly Report (1/1/98 - 3/31/98)**

Dear Mary Beth,

This letter is a follow-up to my reply letter dated 7/8/98 regarding the aforementioned quarterly report.

Enclosed you will find a signed reallocation form authorizing the Citizens for Tom Petri committee to reallocate \$500 in excess contributions received on 3/12/98 (check # 0999 in the amount of \$1000) toward the 1998 general election. This should satisfactorily address the remaining issue raised in your letter dated June 23, 1998.

However, in discussions with the CSX Corporation to reconcile our respective contribution reports, we have found another issue that we would like to address now rather than later.

On 3/10/98, a fundraiser was held in Washington on behalf of Congressman Tom Petri. The American Commercial Line, Inc. Effective Government Fund picked up the tab and reported it in their records as an "In-Kind" contribution. The Citizens for Tom Petri committee does not have a record of this and didn't include it in the quarterly report. Therefore, we would like to further amend our April Quarterly Report (1/1/98 - 3/31/98) to include a contribution of \$1300 from American Commercial Lines, Inc. Effective Government Fund as an "In-Kind" contribution toward the 1998 general election. The enclosed material should serve to document this issue.

If you have any questions, please don't hesitate to contact the Citizens For Tom Petri campaign office at 920-923-4050.

With best wishes, I am

Sincerely,

Louie Andrew, Jr.  
Treasurer
